Affinity Immediate Care vs. Traditional ER

How do we stack up against ER pricing and wait times?

Pricing For Patients with Insurance

We accept Most major insurance policies, To find out about which insurance policies we accept, or to make an appointment please call

281.886.8964

Insurance Co-Pay Comparison		ER
	\$20-\$30	\$100-\$200

Pricing For Self Pay Patients

If you don't have health insurance – or need to pay for certain tests, medical services or doctor visits out of pocket – you'll find the rates at Affinity Immediate Care are a lower-cost alternative to the ER and physician's offices.

Basic Visit Clinical Exam	 \$115*	ER \$250-\$500
Expanded Visit Clinical Exam +	 \$115* <i>+ Additional services at our discounted rate</i>	ER \$800-\$1,000
Advanced Visit* Clinical Exam +	 \$115* <i>+ Additional services at our discounted rate</i>	ER \$1,200-\$1,800

Time Comparison

Affinity Immediate Care was created to fit your busy lifestyle. We know you don't have time to wait weeks to see your doctor, or to spend hours waiting in an ER.

Average Visit Time	 < 1 Hour	ER 4 + Hour
--------------------	--	--------------------

* Additional charges may apply for certain vaccines, medications, lab tests, supplies, and advanced procedures, should you and your medical team deem necessary.
